Your insights maybe shared with the entire nation by the PM. Share your ideas & suggestions with PM Modi for **Mann Ki Baat** by giving a missed call on **1922**

## Modi Government Exemplary 3 Years

**Saath Hai Vishwaas Hai  
...Ho Raha Vikas Hai**

Prime Minister Narendra Modi led Union Government which is fully dedicated to the farmers, the poor and the underprivileged has completed 3 years. Let us have a look at the last 3 years report card of the Government—

## Decisive and Bold Government

- In an unprecedented and historical move in its fight against Black Money, Corruption and Terrorism, the Government demonetised the old 500 and 1000 rupee notes. The move was understood and supported by the people.
- A long-standing demand of ex-servicemen for One Rank One Pension approved. A foundation of New India laid through GST and Benami Property Act.
- Government with its bold steps ensured the safety and security of the Nation. Be it a surgical strike in the territory of Pakistan to destroy terrorist launch-pads or the wiping out of the rebels from Myanmar territory.

## Empowering Gaon & Garib for a New India

- Villages and the poor are at the top of Government's agenda. The effect of development was hardly seen ever before even in the far-flung villages. **More than 28 crore Jan-Dhan accounts opened. More than 13 crore people brought under social security net. Mudra loans made available to 7.5 crore people.** Special focus given to SC/ST entrepreneurs.

- Lives of **more than 2 crore poor families made smoke-free by providing free LPG connections.** Firm steps taken to make available cost effective medical treatment and medicines to the poor.
- Nearly **13,500 villages out of targeted 18,456 electrified.** For rural development, **road construction in rural areas sees 3 fold increase** with 1 lakh 20 thousand Kms of construction in last 3 years.
- With aim of Housing For All by 2022, loans with only 3-4 per cent interest made available.** UDAN started to ensure air travel to every individual.
- Direct Benefit Transfer ensured subsidies going directly into the beneficiaries' accounts bypassing the clutches of middlemen & plugging leakages in the system.** Earlier only 15 rupees out of 100 reached the actual beneficiary, now all 100 rupees go to the poor.
- The minimum wages of lakhs of laborers increased by 42 per cent.**

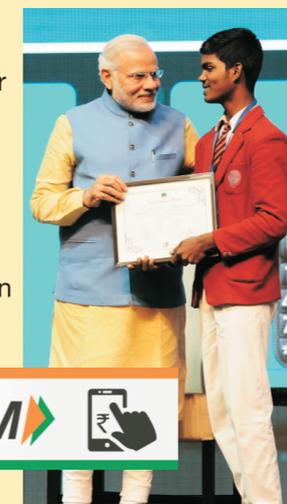

## Honest and Incorruptible Government

- To curb the economic offences in politics the limit of anonymous cash donations reduced to ₹ 2000 per person.
- Environmental clearances simplified. Fair and transparent Coal blocks and Spectrum auctions. While **auction of 82 coal blocks fetched ₹ 3.94 lakh crore, DBT saved ₹ 49,560 crore by avoiding leakages.** Through various Government schemes **₹ 1.5 lakh crore reached directly into accounts of 32 crore beneficiaries.**
- India jumped 12 positions up to reach the position of 130, in World Bank's Ease of Doing Business Index.**
- Real Estate Regulation and Development Act 2016 notified, checking arbitrariness of builders.

## Government for the people, of the people, by the people

- Bond of faith established between the Government and the people. This two-way trust is exemplified by over 1 crore people giving up their LPG subsidy with just one appeal from the Prime Minister. The Government showed similar faith by giving the people power of self attestation.
- After demonetization around **2 crore people started using BHIM app.**
- Now Padma Awards being given on the recommendations of the common people. Swachh Bharat Mission is a public movement now. Use of red beacons abolished making Every Person Important.

MORE THAN  
**1.25 CRORE**  
PEOPLE  
#GiveItUp  
LPG SUBSIDY VOLUNTARILY

## Government that Cares

- The safety of Indians living across the world now a top-priority of Government. **1100 Indians from Ukraine, 3750 from Libya, 7200 from Iraq, 6710 from Yemen and 153 from South Sudan, safely brought home.**
- Rarely in the past any Government has shown such concern towards poor as is shown by the incumbent Government. Whether drought or flood, Government is with farmers in their every hour of need. In drought-affected parts of Maharashtra **more than 6 crores litre water sent through 150 wagons of Special Water-Trains.**
- Reservation for Divyangjan increased to 4%.** Special Courts formed to fast track the cases pertaining to atrocities against SC/ST. Constitutional status to National Commission on Backward Classes.
- Land titles bestowed upon tribals and forest dwellers. **In the last 3 years 52 lakh land titles distributed.**
- Crores of LED bulbs installed to save energy.**

## India's Rise in the Global Order

- India has emerged as powerhouse of World Economy. **FDI has gone up while fiscal deficit, current account deficit and inflation have gone down.**
- Make in India brand got International appreciation.**
- 21 June declared as International Day of Yoga.
- 104 satellites successfully placed in space through one flight by ISRO's PSLV-C37. SAARC Satellite presented as a gift to friendly neighbour countries. Independent Navigation system (NavIC) developed.
