## NINL as a Social Responsible Corporate:-

Neelachal Ispat Nigam Limited (NINL) not only produces steel but also committed to create a clean & green environment and took conscious steps for the social, educational and health development of Orissa.

### Social and Environmental Developments:

Orissa is a state where natural calamities occur regularly. Last year floods created havoc in the state, NINL contributed Rs.25.00 lakhs to the Chief Minister's Relief Fund.

NINL has created a massive green belt covering almost 325 hec. of land in and around its premises with different species of environmental plants/sapling.

### Promotions of Sports & Games:

NINL has developed a unique method of spreading the message of protection of environment through sports and games. For this purpose, every year, for the last five years NINL is conducting NINL Green Cup Foot Ball Tournament in association with Jajpur District Athletic association. NINL also extends and promotes other games like Cricket, Kabadi, Volley Ball etc specially, in rural areas.

### Educational Developments:

Being a Socially responsible corporate house, NINL pledged for the development of education in local areas. Thus NINL constructed three well equipped class rooms at village Baragadia within Maa Hingula High School campus.

Taken up the construction work of three more class rooms and a stair case at Sri.Aurobinda integrated school, Duburi.

In tribal school of Gobarghati five nos. of toilet blocks have been built up.

Financial assistance has been extended to Nadiabhanga high school.

### Health and Sanitation

As far as the health and sanitation is concerned, NINL finished the balance construction work of the CHC building at Dasarathpur, Jajpur. Conducts number of health camps in the surrounding areas with distribution of medicines.

More importantly, a toilet block has been constructed at Mahavinayak temple at Chandikol. Nearby Sarangepur village has been connected with permanent drinking water taps.
